The Beef Shorthorn Cattle Society
www.beefshorthorn.co.uk**

Inspection

Pre-sale inspection of the herd is welcome by appointment –
please call

Douglas on 07973 543272 or 01738 582132 or

Charlie on 07975 906592 or 01738 582293.

Cattle can also be viewed in the market from Saturday.

Service information

Scanning details within the catalogue are for guidance only and not guaranteed.

Health information

Herd last tested clear from TB in 2014, currently on a 4 year TB testing interval

Member of Biobest Herdcare

Accredited free from BVD, herd testing for BVD, routinely vaccinating against BVD

Herd testing for IBR, routinely vaccinating against IBR

Accredited free from Johnes, Johnes Risk Status Level 1

Coldrochie Beef Shorthorns

Coldrochie Beef Shorthorns came into being in 2009 when our Coln Valley herd of pedigree Beef Shorthorns moved to Perthshire from Gloucestershire. The herd was started nearly 20 years ago with a selection of well-known families from herds such as Tofts, Glenisla, Uppermill, Chapelton and Upsall, several of which go back to Balmyle and Fingask. Many of these families have consistently been the backbone of our herd and appear in this dispersal.

Along the way we have tried to select the best bulls to continually improve the quality of these families while retaining the well-known maternal characteristics of our wonderful breed. We have tended to select UK bred bulls, occasionally with an overseas background, but normally when well proven locally.

We have been proud of our many successes over the years at the main pedigree sales and at the principal shows including the Highland Show, the Royal Show and elsewhere in Scotland and England. We are also proud that the herd has maintained a high health status throughout its nearly 20 years of existence.

Life goes on and without successors the time comes when dispersal becomes necessary. Thus, the Coldrochie herd is being dispersed in two lots. The first lot is in this catalogue and consists of our thirteen autumn calvers with their calves, four in-calf autumn heifers and one maiden heifer, two stock bulls and seven young bulls, all being sold at the 5th February, United Auctions Stirling Bull Sales. The second lot includes all the spring calvers with their followers, young heifers, two stock bulls and remaining young bulls to be dispersed at a date to be confirmed in May.

The breed and the Society have come a long way during this time and it has been a great pleasure to be part of it. We have had many satisfied clients over the years and whilst sad to see our animals go, we are confident that they will continue to produce high quality animals to be proud of. We wish the best of luck to the purchasers and will be watching for future generations to appear in the sales and show rings.

Douglas McMillan
