

HUNTLY, United Auctions (28th September 2019) sold a catalogued entry of 500 Rams and Ram Lambs at their Annual Show & Sale.

A Fantastic entry of rams was forward for the pre sale show once again. Judging duties this year were in the hands of TV celebrity Melissa Irvine, Braehead. Every class forward held tremendous quality throughout and after an unenviable task our judge TAPPED OUT THE Champion to the texel shearling belonging to Harvey Stuart, Belnoe, Melissa then awarded the Reserve overall ticket to another young consignor Jordon Green, Drumburn. A packed ringside provided an electric trade all the way through the day and the £1000 barrier was smashed on no fewer than 20 occasions.
